Project Experience

Women in Computer Science Engineering Design Team

Sep 2024 – Present

Mobile App Backend Developer

- Developed a mobile application using Firebase and React Native with Expo Go with a team of 4 other students to create a study buddy finder with a swiping matching feature based on a student's profile.

UF College of Medicine

Jan 2024 – Aug 2024

Research Intern

- Designed an eye-tracking stimuli delivery system using Qualtrics to test the health literacy of subjects. Previous iterations of the project used React Native with Expo Go.
- Presented to critical stakeholders and community members to promote research findings.

Work Experience

Office of Admissions

Aug 2025 – Present

Gator Welcome Guide

- Served as a representative at large visit and virtual events, providing tours, greeting guests, assisting with check-in, and offering directional guidance.

Center for New Student and Family Programs

Aug 2023 – Aug 2025

Student Assistant

- Advised 1500+ students and families and worked with professional staff to solve issues with several topics including Preview Orientation and Family Weekend using Salesforce.

Leadership

Center for New Student and Family Programs

Nov 2022 – Present

First Year Florida Peer Leader

- Promoted the benefits of the First Year Florida Program to 7000+ incoming first-year students resulting in a 20% increase in enrollment for Summer B and Fall 2024.
- Administered 7+ professional development workshops to 60+ peer leaders throughout the year.
- Collaborated with UF Faculty to develop lessons, assignments, and service projects to deliver an extended orientation course to 20+ students over 15 weeks to help ease students' transition to UF.

Pride Student Union

Apr 2023 – Apr 2025

Internal Vice President and Queer Cultivation Program Executive Director

- Coordinated 24 General Body Meetings to educate membership on LGBTQIA+ topics and facilitate dialogue to promote critical thinking about the issues impacting our community.
- Spearheaded the flagship mentorship program within the Pride Student Union to help strengthen the queer community on campus for 30+ students.
- Managed a cabinet of 5+ students to produce relevant deliverables needed for meetings, including current research on selected topics and detailed meeting presentations using Canva.
- Presented in front of 80+ members on various LGBTQIA+ topics during General Body Meetings and facilitated related activities and discussions.
